**On August 10, 1987, Congress passed the Competitive Equality Bank Act (CEBA). Title VI of this law, the Expedited Funds Availability Act (EFA), implemented by the Federal Reserve System, Regulation CC, established maximum hold periods financial institutions can place on funds deposited in demand accounts. Within this disclosure, the word "Bank" may be used to mean financial institution. If our bank, from time to time may determine a longer delay, (than the disclosed number of days), we will notify you at the time of deposit or in writing the following business day. The following is an explanation of our policy.**

### YOUR ABILITY TO WITHDRAW FUNDS VIA CHECKS PAYABLE TO OTHERS WITH HOLDS PLACED ON DEMAND DEPOSITS

Our policy is to make funds from your deposits available to you on the earliest possible business day after the day we receive your deposit. At that time, we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and Federal Holidays. For purposes of explanation, a banking day is a business day on which an office of the bank is open to the public for substantially all of its functions. Our business day will begin at the later of 9:00 A.M. or the time bank facilities are available for customer withdrawals.

If you make a deposit on a business day we are open, we will consider that day to be the day of your deposit, subject to our cut-off hour, stated in this brochure. However, if you make a deposit on a day we are not open, we will consider the deposit made on the next business day we are open.

Local checks will be available on the second business day after the day of deposit. All checks drawn on U.S. Banks are considered Local Checks.

### CASH WITHDRAWAL LIMITATION

1. Local Checks. The first \$200 will be available for withdrawal in cash on the first business day after the day of your deposit. All of the remaining funds will be available for cash withdrawal on the second business day after the day of your deposit.
