Account Analysis for Business Checking

Opening Deposit Amount: \$1,000.00

Earnings Allowance: Account Analysis allows the earning value of the average ledger balance(s) for the current Month's Statement cycle in your DDA account(s) to offset the current Month's banking service charges. The earnings rate is variable and determined monthly at the banks discretion.

Account Analysis Service Fee: The service charge generated by Account Analysis will be deducted on each Monthly Statement.

Charge at Recap: You may decide to combine Business Checking Accounts you hold at Albany Bank for Analysis purposes. All recap account average collected balances and service fees for the current Month's Statement cycle will be combined with the resulting service fee being deducted from the Primary Account's Monthly Statement.

Charge level (choose one): _____ **Account** _____ **Recap**

If you chose to be charged at **Recap**, list the Primary account and the accounts which will be combined with it below.
